Thanks Darcy. Sorry I misspelled Pat's name. His name is Patrick (Pat) Pfaltzgraff.

Hi Callie and Darcy – just a heads up that we (Bert, Art and I) will be meeting with the new head of Colorado Department of Public Health and Environment, Water Quality Division Director, Pa Pfaltzgraff, Dick Parchini, and Trish Oethe, Water Quality Control Commission Administrator this afternoon from 2:30 on. Bert has invited Martin and Sandy to drop by at around 3:30 if they would like and I am extending the same invitation to you. Sorry for the short notice however this got scheduled pretty quickly. The agenda items listed below that they want to discuss are largely in EP.

I just got off the phone w/ Dick:

They'd like to go ahead and meet even if Art can't attend. We have two hours scheduled but it shouldn't take that long.

I'll let Martin and Sandy know they can swing by at 3:30 if they're available to meet Pat.

Dick will do a short agenda. It's likely to include:

- McNulty Gulch / Climax Mine exclusion (Bert)
- Water supply and 401/404 – check in (Bert)
- R8 water priorities – Sadie and Bert
- Nat'l level matters:
  - Clean Water Rule (Bert)
  - Water transfers rule (Sadie?)
  - WQS reg revision (Bert)
